

please
hurry up
and come
protect this
girl.

“Zukunft?”

EHHHH
HHHHHH
HHHHHH

What's
with this
situation?

Why am I
sleeping
together
with Kaga-
san...?

If someone
saw this
then weird
rumours
will spread
around.

Ah
Kaga-san.

Admiral
has been
looking
for you.

But

And it's
been seen
by the
worst
possible
person
to see it.

Ah,
a full
outcrop.

You telling you it's a
misunderstanding?

I can't believe you just
did such a
thing to me.

Excuse me.

And what's
with "my
Kaga-san",
anyway?

"Don't
worry,
you'll
meet her
soon."

.....
Saying
something
like that
probably
wouldn't
suit me.

For the first time,
the story of the
the world, which
will be the end.

I want to get
closer to you.
I can't do that, and
I can't do that.
I'll do
it all together
with you.
